About North Vista Hospital

North Vista Hospital, a 177-bed community hospital that has been serving North Las Vegas and the greater Las Vegas Valley since 1959, features comprehensive healthcare services and advanced medical technology. Designed with patients, families and guests in mind, the hospital features comfortable waiting areas, convenient registration and a healing environment. North Vista Hospital has received national recognition for clinical achievements and has been recognized by Healthgrades for five years in a row (2015-2021) as among the top 5% of hospitals nationwide for bariatric surgery.

Our Mission

To deliver compassionate, quality care to patients and better healthcare to communities.

Our Values

Quality

We are committed to always providing exceptional care and performance.

Compassion

We deliver patient-centered healthcare with compassion, dignity and respect for every patient and their family.

Community

We are honored to be trusted partners who serve, give back and grow with our communities.

Physician-Led

We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.
